Pilsners

“When should I use a pilsner?”

Use Pilsner shapes for highly carbonated beers that require a wide top to support the head and a thin bottom.

New
 Outdoor Perfect Pilsner

Willi Becher

"Can we use pint glasses for all kinds of beers?"

Less carbonated beers call for a glass with a fairly large surface area on top and bottom to encourage the release of carbon dioxide and allow the aroma to come through. Just like wine glasses... shape does matter.

Willi Tumbler
