GOURMET CONCEPTS

Today, Gourmet trends extend across a variety of foodservice outlets from the local coffee bar to a five-star restaurant – each is looking for a special way to distinguish themselves in the epicurean world. Gourmet Concepts from Cardinal offers a selection of ideas and solutions that will bring this appetizing trend into financial focus for your business.

Start with petite sizes, which allow for guilt free enjoyment. Add in shapes, textures, and materials that encourage your signature dishes to stand out from the crowd. Top it off with strength and durability for long lasting quality, and you have the perfect recipe for defining the Gourmet trend.

This section of the Arcoroc Catalog showcases creativity with miniature appetizer sizes, dinnerware, dessert-ware, and even unique drink-ware designs, each with innovative and stylish alternative usage suggestions.

Please see our strength and durability logos that show which items are made with Extra Strong Porcelain® and which items are Fully Tempered Glass.

Product Information

Extra Strong Porcelain

Developed for professional-use, Extra Strong Porcelain is a always a star performer. It offers up to twice the mechanical resistance and it's guaranteed against chipping for up to 5 years. Arcoroc porcelain boasts enduring scratch and dishwasher-resistance.

Fully Tempered Glassware

Arcoroc developed the Fully Tempered Glassware process in 1958. We still hold the leadership position by providing products that are up to 5 times more resistant to breakage – which makes them 5 times more practical in today's environmentally friendly restaurants. Fully Tempered Glassware offers fewer breakages, increased strength and safety for handlers – without the lost of style and elegance.

5 Year Edge Chip Guarantee
