SHARING MATTERS

Cypress

*"We want to use dinnerware that respects our environment."*

Opal is the dinnerware choice for the environmentally conscious. All of our Opal patterns are created from fully tempered glass and are 100% recyclable. We use recycled glass (called cullet) to lower the temperature of our furnaces during the manufacturing process, which reduces our fuel consumption and gas emissions. Please see our green statement on page 5 to learn more about our commitment to the environment.
