Cognac, Armagnac...

Designed with a short stem for hand placement under the glass bulb to naturally warm spirits such as Cognac and Armagnac. Enjoy at 71°F.

**OPEN UP SPIRITS**

*"The six glasses from Open Up Spirits collection perfectly respect the very nature of the different spirits for which they are designed. For everyday use, the glasses prove extremely resistant, and it still surprises me when I see to what extent they release the aromatic depth of the drink in a very controlled way."*

*Thierry Hernandez: Mixologist at Le Bar Du Plaza Athenee, Paris*
